Springfield, IL 62704-4503

Dear Mr. Montney,

Our new Unisyn Elect Voting Equipment was purchased in 2018 and it has been working properly.

Coles County did need new equipment in 2018 because our previous Election Equipment of the AccuVote Optical Scan and TSx ADA Device were consistently malfunctioning. The purchase price of the 32 Optical Scan units and the 32 Touchscreen units was \$268,960.

Respectfully,

Julie Coe
Coles County Clerk and Recorder
